There are controls in place to ensure the unit price of the fund cannot reduce on a daily basis. For information on how the fund has performed, see page 2 of this factsheet. This fund has relatively low potential for investment growth, so may not be suitable as a long-term investment.

This document is provided for the purpose of information only. This factsheet is intended for individuals who are familiar with investment terminology. Please contact your financial adviser if you need an explanation of the terms used. This material should not be relied upon as sufficient information to support an investment decision. The portfolio data on this factsheet is updated on a quarterly basis.

Asset Allocation (as at 30/09/2021)

The composition of asset mix and asset allocation may change at any time and exclude cash unless otherwise stated

Fund Aim

The fund invests in deposits within the Lloyds Banking Group. The rate of return varies in line with changes in interest rates which, together with the annual management charge, is reflected in the unit price. If interest rates fall below the level of the annual management charge the unit price will fall. The unit price will also fall if the bank holding the deposits becomes insolvent.
