### About the manager

#### Zenith Investment Partners

Zenith is an Australian research house, specialising in managed funds research and consulting. Established in 2002, Zenith works with clients to build out managed portfolios solutions, investment capability and governance. Zenith's portfolio idea generation arises from annual reviews of the strategic asset allocation, quarterly sector reviews and manager selection. Manager selection is a key value add. This input occurs through Zenith's market-renowned annual sector reviews ratings, ranking and themes, and analyst best ideas portfolios.

<b>Total</b>		<b>35.7%</b>

Asset allocation data sourced via Morningstar® from the underlying fund manager.

<sup>1</sup> The managed portfolio performance represents total return for the periods. Returns have been calculated using the time-weighted method, they assume distributions are reinvested and are after investment management fees and indirect costs. Total and growth returns include accrued distributions, while income return includes paid distributions only. Returns do not take into account tax payable. Individual client returns may vary based on the contributions, withdrawals, and timing differences within the managed portfolio
