How the fund works

The Fund provides a diversified exposure to listed Australian shares, including Australian shares listed on foreign exchanges. Such international exposure will generally be currency hedged.

When you invest your money in the Fund, your money will be pooled together with other investors' money. We use this pool to buy investments and manage them on behalf of all investors in the Fund. This means that by investing in the Fund you have access to certain investments that you may not otherwise be able to access on your own, as well as the knowledge of the skilled underlying investment managers through which the Fund may invest. ClearView Financial Management Limited (CFML) retains day-to-day control over the operation of the fund.

About the manager(s)

The Schroder Equity Opportunities Fund is an actively managed portfolio investing in a broad range of companies predominantly from Australia with the objective of specifically seeking out higher quality companies characterised by strong returns on capital with a sustainable competitive advantage over the long term. This fund draws on Schroders' deep research capabilities, with a long term focus on investing.

Stocks are identified using bottom-up, fundamental analysis undertaken by Schroders' experienced and stable team of in house analysts. The stock selection methodology of this fund has no size constraint and benchmark weightings are not considered in portfolio construction. Securities are selected on the basis of business quality (comprising both business and industry scores) and valuation attraction.

Established in 1961, Schroders in Australia is a wholly owned subsidiary of Schroders plc. Schroders Australia is comprised of a team of around 80 people and is home to the domestic research and investment teams for capabilities in Australian Equities, Fixed Income and Multi-Asset and QEP Global Equities. Schroders believes in the potential to gain a competitive advantage from in-house global research which will translate into superior investment performance through disciplined portfolio construction. Proprietary research provides a key foundation of Schroders' investment process.
