[^] Performance figures in this report are compiled by CFML using data from FE fundinfo. Performance may differ from HUB24 performance. Please contact CFML for further information. Performance data is after fund manager fees, but before other applicable fees or taxes and assumes the reinvestment of dividends. Past performance is not indicative of future performance. Due to the flexibility of rebalancing and variations between accounts, performance shown is indicative only and assumes rebalancing occurs at the end of each calendar month, and that there are no deposits, withdrawals nor exceptions to regular rebalancing in the model portfolio.
