NTCM EMERGING MARKETS JOURNEY EQUITY INDEX FUND

PASSIVE EQUITY

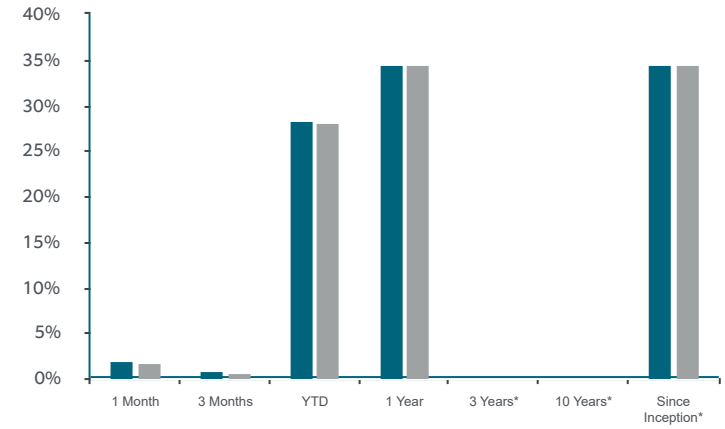

SHARE CLASS A EUR AS OF SEPTEMBER 2026

Investment Objective

The investment objective of the Fund is to closely match the risk and return characteristics of the MSCI Emerging Markets Journey Select Index (the "Index") with net dividends reinvested.
The Fund invests in equities (that is, shares and other similar kinds of assets) issued by or relating to companies included in the Index.
The Fund is an index tracking fund which seeks to track the risk and return characteristics of the Index by buying most or all of the stocks of the Index. This means it may not hold all the same assets as the Index or hold assets in the same proportion as the Index, and the fund may not match the Index performance.
The Index is a custom index with the starting universe being the MSCI Emerging Markets Index (the "Parent Index"). Companies are excluded that do not meet ESG principles, identified by applying criteria that refers to the UN Global Compact ten principles, as well as other ESG criteria selected by the investment manager.
The Index is designed to reduce the weighted average greenhouse gas ("GHG") intensity by 50% by Enterprise Value Including Cash ("EVIC") relative to the Parent Index and reduce the weighted average GHG intensity by 7% by EVIC on an annualized basis.
The Index aims to increase exposure to companies that are considered well prepared for the transition to the low carbon economy, or that demonstrate positive management of environmental and social risk factors. Additionally, the index aims to reduce exposure to companies associated with adverse impact on natural resources according to select indicators.
This Fund is appropriate for investors who plan to invest over the medium to long term; and are looking for a passively managed investment in the relevant market(s) with Environmental, Social and Governance (ESG) principles implemented according to a defined set of exclusions. This Fund may be appropriate for investors who can benefit from the tax status of the FGR fund range.
Target Market: This Fund is appropriate for investors who plan to invest over the medium to long term; and are who are looking for a passively managed investment in the relevant market(s) with Environmental Social and Governance (ESG) principles implemented according to a defined set of exclusions.
