FUND RISK RATING

Lower risk 1 2 3 4 5 Higher risk

We rate this fund as Higher Risk/Reward. This means it is suitable for investors looking for the highest returns and who accept investing up to 100% in higher risk assets to achieve this. This means when investments are cashed in there is an increase risk that they may be worth less than the amount invested. It is likely that the value of investments will move up and down.
