

WESLEYAN INTERNATIONAL GROWTH FUND (CLASS P) ACC

31 July 2025

FUND OBJECTIVE

The fund aims to provide capital growth over a period of at least five years. We measure the success of the fund as outperforming a benchmark over a rolling 5-year period. We do this by comparing the investment performance, after fees and charges, to a composite benchmark which reflects the current risk rating of the fund. This benchmark is a target for the fund. Invested capital is however at risk and there is no guarantee that the objective will be attained over this or any period.

FUND PERFORMANCE (AS AT 31/07/2025)

Please note that past performance is not a reliable guide to future performance and the value of your investment can go down as well as up, so you could get back less than you invested.

We rate this fund as Higher Risk/Reward. This means it is suitable for investors looking for the highest returns and who accept investing up to 100% in higher risk assets to achieve this. This means when investments are cashed in there is an increase risk that they may be worth less than the amount invested. It is likely that the value of investments will move up and down.
