

WESLEYAN JAPANESE SHARES PENSION FUND (SERIES 2)

31 March 2025

FUND OBJECTIVE

The Wesleyan Japanese Shares Fund seeks to provide capital growth over the medium to long term by investing predominantly in externally managed funds specialising in Japanese shares. The Fund aims to invest in one or more external funds that are most likely to deliver consistent performance over longer periods. The Fund is currently invested in the FTF Martin Currie Japan Equity X and the GLG Japan Core Alpa Fund.

FUND PERFORMANCE (AS AT 31/03/2025)

Please note that past performance is not a reliable guide to future performance and the value of your investment can go down as well as up, so you could get back less than you invested.

FUND RISK RATING

We rate this fund as Higher Risk/Reward. This means it is suitable for investors looking for the highest returns and who accept investing up to 100% in higher risk assets to achieve this. This means when investments are cashed in there is an increase risk that they may be worth less than the amount invested. It is likely that the value of investments will move up and down.
